

Westerner Days

FAIR & EXPOSITION

July 18-22, 2018

Looking for a way to get your organization involved with this year's Westerner Days Fair & Exposition?

Why not volunteer at the Saputo Kids Corral?!

This popular family attraction is open daily from Noon - 8:00 PM and includes the Saputo Kids Corral, The Calm Room, and the Central Alberta Co-op Family Stage, all located within the Harvest Centre.

The **Saputo Kid's Corral** caters to the ten and under crowd providing families with a break from the action of the Midway. Experience displays, interactive activities, roaming entertainment and toys all within an air conditioned environment! Highlights of this venue include attractions like mini golf, Alberta Sports Hall of Fame hockey shoot out, arts and crafts, face painting, and so much more!

The **Calm Room** was a special initiative started a couple years ago, to include an area on the fair grounds for families with children to have a quiet and relaxing place to settle down and recharge. It is located next door to the Kids Corral area, and provides sectioned off areas to sit, low lighting, soft music, a nursing station, and a variety of quiet activities like books and puzzles.

New this year, we have the **Central Alberta Co-op Family Stage** entertainers moving inside! They will be located right inside the Kids Corral area, allowing kids to explore their imagination and experience engaging interactions of song and dance.
