Rising out of the ashes of psychedelia in 1969, Canada’s legendary Chilliwack released 12 albums over a 15-year period, producing numerous Canadian and international hits including “Lonesome Mary”, “Fly At Night”, & “California Girl” in the 70’s; and “My Girl (gone gone gone)” and “Whatcha Gonna Do” in the 80’s. All this work led to 15 gold and platinum certifications, a host of awards, high profile TV appearances and coliseum concert tours. Chilliwack’s reputation for consistently powerful shows continues, and with the live CD ‘THERE AND BACK’ still winning over new fans and delighting long time ones, Bill Henderson and the band are rocking like never before. Hearing the revitalized Chilliwack of today is like hearing those songs for the first time... all over again.
