ABOUT WESTERNER PARK

Since 1891, Westerner Park has been a place for Central Albertans to gather and celebrate community events. Westerner Park is both an agricultural society and registered not-for-profit with charitable status. Each year, Westerner Park generates more than \$150 million in economic activity, more than 1.5 million visitors come through our gates to celebrate over 1,500 unique events. From weddings and banquets, hockey games and agricultural shows to concerts and trades shows, we continue to be there as Central Albertans join to share in their most memorable moments.

We pair first class facilities with down home service. We treat all our event organizers and guests with the same welcoming, approachable and trustworthy style that has defined our organization for the past 129 years. We enable and service other organizations to gather and celebrate their own purpose and cause.

We are an integral part of central Alberta. We take pride in the experiences we produce and the trade and commerce we facilitate. We support the rural and urban connection in Central Alberta, inspire youth, engage arts, culture and connect our community. Our collaborative spirit facilitates the growth and success of other non-profits and charities. We develop and apply strengths from volunteerism and partnerships for the betterment of our community as a whole.
