

Parking

Parking

Providing our guests with clean, well lit and ample parking is a top priority. Westerner Park offers approximately 4,000 convenient, paved parking spaces in six main lots for your event participants, attendees and guests. Westerner Park also has 52 handicapped stalls, which can be increased if a particular event requires.

Services

As a not-for-profit organization, Westerner Park invests all of our earnings back into the improvements of our buildings, grounds and amenities. The parking fee will help to cover the ongoing maintenance of our 2,437,000 square feet of tarmac; including snow removal and security services, ensuring the grounds are safe for our guests.

A parking fee will be charged per vehicle entering Westerner Park during major events. Multi-day passes are available for weekend events lasting longer than one day, at a reduced rate.

Westerner Park offers a 30 minute refund period for dropping people off. Parking is always free for visitors while they are conducting business at Westerner Park's Donald Administration Building.

When booking an event at Westerner Park a limited number of parking passes will be issued to the lessee for the duration of the event.

Outdoor Events

Our parking lots are also an ideal place to host large-scale outdoor functions and activities, such as driver training programs, vehicle shows, and open-air markets. See our Outdoor Events User Guide for details.
