Operations Staff Working Hard to Clean Up Westerner Park's Parking Lots

January 3, 2014 | Red Deer, AB – Mother nature has not been easy on us here in central Alberta this winter, as snow continues to fall and cover our roads, parking lots and sidewalks.

Westerner Park is committed to offering premier facilities that are easily accessible. "That's why our Operations Staff are braving the cold and clearing as much of the snow as possible in preparation for this weekend's Red Deer Rebels hockey games," said John Harms, Chief Executive Officer, Westerner Park.

Although most of us dream of fluffy white snow for sledding, snowboarding and skiing, it can create difficult driving conditions. Westerner Park thanks the public in advance for their patience and understanding.
